### SCHUMANN FINE CHINA

has been manufactured for four generations, since 1872. A tradition of many decades and experience inherited by ingenious artists and modellers and their will to create outstanding and solid articles, decorations and shapes, have established a world-wide reputation for the products of the Carl SCHUMANN China Factory Arzberg/Bavaria.

This leaflet shows only one part of our various lines of dinnerware, gifts and pierced china.

If you so desire, we shall gladly send more printed information.
